

## Certification Record

[BACK TO SEARCH](#)

Client Number	LC1234282
Company Name	Dragonfly Energy Corp.
Date Certified	2022-06-14
Province	Nevada
Country	United States
Model Number	DF8D, BB8D, DF8DH, BB8DH
ICS Code	29.220.99

### Product Description

- LiFePO4 Batteries
- Model Nos:
  - 8D (includes both DF8D and BB8D models)
  - 8DH (includes DF8DH, BB8DH models)
    - **Note 1:** the models with the trailing "H" have an internal heater that allows charging at low temperatures. This option does not change the power path of the battery and perform identically to its corresponding not heated model.
    - **Note 2:** The only difference between the Dragonfly branded batteries (DF) and the Battle Born branded batteries (BB) are the labels design.
- Ratings: 12 Vdc, 270 Ah and charge rating of 0.5c

### Standards

- CSA C22.2 No. 62133-2:20 / UL 62133-2 (Ed. 1)

### Special instructions

- None

#### General Note:

- Project no. LV-15562
- LC Listing Report no. 10.00.15562-1\_Rev0
- LC Certificate no. LC15562-1

### Certificate

### Label Marking

### LC Mark
